

REMARKS

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. This amendment is in response to the Office Action mailed January 9, 2006.

The Office Action has required a complete and accurate record of the telephone interview that occurred with between Examiner Kramer and Mike Cluff and Applicant's attorney Steve Perry on August 25, 2005. Applicant provided a demonstration of a prototype of the product related to the claimed invention with a web browser over the Internet using Macromedia Flash technology at www.obeo.com.

Steve Perry also discussed the prior art references with the Examiners. In particular, the reference of Hughes Patent No. 5,736,977 was discussed and the reasons why Hughes is significantly different than the claimed invention were discussed. In particular, Hughes provides video over a network which cannot provide the operations of the present invention. (See also the Applicant's previous arguments in applicants March 7, 2005 arguments.)

Applicant faxed Examiner Kramer suggested amendments and described how the amendments overcame the prior art of Hughes. In particular, independent claim 1 was discussed in detail during the interview. Examiner Hughes said he would consider the Applicant's claim amendments.

Applicant has amended the claims pursuant to applicant's phone discussion with Examiner Kramer on August 29, 2005. Applicant thanks the Examiner and his supervisor for the phone interview.

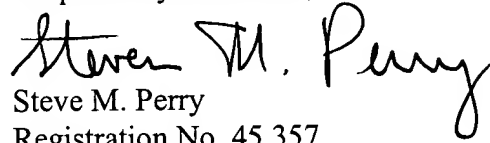

CONCLUSION

In light of the above, Applicant respectfully submits that pending claims 1-6 are now in condition for allowance. Therefore, Applicant requests that the rejections and objections be withdrawn, and that the claims be allowed and passed to issue. If any impediment to the allowance of these claims remains after entry of this Amendment, the Examiner is strongly encouraged to call Steve M. Perry at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 20-0100.

DATED this 9th day of February, 2006.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Steve M. Perry". The signature is fluid and cursive, with the first name "Steve" and last name "Perry" being clearly legible, and "M." in the middle.
